

Internet Banking

Manage your savings from home, work or even on the move with our internet banking service.

Your guide to our internet banking service

Our internet banking service offers a convenient way to manage your savings from home, work or even on the move.

Wherever you are, if you can access the internet, you can manage your account(s) with us.

Using the service is easy, and you can be confident your accounts are secure.

Registering is easy

To register for Internet Banking, go online at alil.co.im and click on the 'Register' button at the top of the page. With just a few clicks you'll soon be able to start managing your account at a time to suit you. At present, customers that have an 8 digit account number are not able to register for this service, however we will be in touch as soon as this is available.

The screenshot displays the Alliance Leicester International website. At the top left is the logo, and at the top right is a phone icon with the number +44 (0) 1624 641 888. A navigation bar contains links for Home, About us, Downloads, Interest rates, How to IT, and Contact Us. The main content area is titled 'International savings accounts to suit everyone.' On the left, there is a 'Login' section with a 'Register' button circled in red, and a 'Personal accounts' menu with options like eSavings Range, Select Savings Range, Other Sterling accounts, Euro & US Dollar accounts, and Fixed Term Bonds. Below this is a 'Latest News' section with a 'Subscribe to News' button. The main content area features four promotional boxes: 'Fixed Term Bonds' with a 3.70% AER fixed rate, 'eSaver Accounts' with a 2.50% AER variable rate, 'Notice Accounts' with a 2.50% AER variable rate, and 'Select Bonus Account' with a 2.45% AER variable rate. Each box includes a 'Find out more' button. At the bottom, a red banner states 'Alliance & Leicester International is part of Santander'. Below the banner is a small print section containing legal information and a disclaimer about the Annual Equivalent Rate (AER).

Confidence in security

We're totally committed to protecting your personal information when you're using our Internet Banking Service. Internet security technology is very good these days and in addition we also confirm the identity of customers through the use of multiple security credentials that have been designed in accordance with financial industry standards and best practice.
